

Leapfrog and Ropes & Gray Partnership Benefits

We are pleased to announce a members-only benefit created in collaboration with [Ropes & Gray](#), our longstanding partner and legal advisor.

The Ropes & Gray benefits group and benefits consulting group has a long tradition of advising hospitals and health care organizations, colleges and universities, and large to small companies, financial institutions, government agencies and tax exempt organizations with respect to their unique benefits and compensation issues. Its attorneys, actuaries, and benefits consultants offer a wide range of legal, consulting, actuarial, administrative, and plan design services. They advise clients on comprehensive employee benefits service including health & welfare benefits, qualified plans and ERISA issues, designing, costing and implementing all types of pension, profit-sharing, 401(k), 403(b), executive benefit, health and other group benefit plans. The Group also administers pension, profit-sharing, 401(k) and 403(b) plans and advises clients on the impact of state and federal health care reform on employer-sponsored group health plans.

We are pleased to partner with Ropes & Gray to provide all of you with up-to-date information on Federal Health Care Reform and create a forum for discussion on this important topic over the course of the year.

Ropes & Gray Member Benefits in Partnership with Leapfrog:

- Webinars – Ropes & Gray will conduct timely webinars to inform members about how Health Care Reform will affect their benefit design and administration and other relevant matters.
- Seminars & Roundtables– Throughout the year, Ropes & Gray will participate in meetings and employer roundtables with our coalition members around timely and important aspects of health care reform.
- Client Alerts – Members will be able to receive Ropes & Gray client alerts which notify clients to significant legal developments in case law and rule changes, among other matters. Alerts will be archived in the members-only section of Leapfrog's website
- Policy Development – Ropes & Gray will provide access to regulations and other guidance issued by the Federal Regulatory agencies that are open for public comment.
