

# HELP DESK GUIDE

## HOW TO SUBMIT A TICKET TO THE HELP DESK

### INSTRUCTIONS

- 1) Go to <https://leapfroghelpdesk.zendesk.com>.
- 2) We recommend signing in to your [Zendesk](#) account to keep track of the tickets that you submit to the Help Desk. Click “Submit a request” at the top right of the page. You can also click “Submit a request” if you do not have a Zendesk account and do not plan to create one.
- 3) Complete the required fields in the ticket form, then click “Submit”. You will receive an email from [support@leapfroghelpdesk.zendesk.com](mailto:support@leapfroghelpdesk.zendesk.com) when your ticket has been received. [See example A below](#).

*Please allow up to 48 business hours for the Help Desk to respond. If you do not receive a response from the Help Desk staff within 48 business hours, check your junk/spam mail and contact your organization’s IT department to request that the [leapfroghelpdesk.zendesk.com](https://leapfroghelpdesk.zendesk.com) domain be added to your safe senders list.*

- 4) When the Help Desk sends a response to your ticket, you will receive an email notification that your request has been updated. [See example B below](#). To reply:
  - a) Click on the ticket number in the email to reply via your Zendesk account (recommended), or;
  - b) Reply to the Help Desk directly through email.
- 5) When the Help Desk responds to your ticket, you will receive an email notification that a response is ready.

## ZENDESK ACCOUNT

After signing in to Zendesk, ticket requests can be viewed in “My Activities” from the dropdown menu at the top right of the page under the account name:

“My Activities” will show all ticket requests in the Help Desk and the status of the ticket:
